### About Research Week

Research Week is a university-wide celebration of research, creation and innovation across all disciplines at the University of North Florida. At UNF, Research Week consists of showcases, workshops, award ceremonies, symposia and other events designed to showcase the prestigious research being conducted at UNF by students, faculty and staff. Students, faculty, staff, administrators and members of the Northeast Florida community are invited to join us as we celebrate the many contributions of the university community to advancements in knowledge, teaching and creativity.
